CHICAGO, November 12.—The national and nternational convention held for the purpose of extending our foreign trade, and especially to encourage a reciprocal trade on the American continent between Canada, the United States, the South American States, Mexico Washington, November 12: Commissioner Raum opposes a reduction of the tobacco-tax from posses a reduction of the tobacco-tax from present. Nearly every city in the Union was represented, the largest delegations being from St. Louis, Louisville, Cincinnati, Columbus, Burlington and Cincago. The Mexican minister and a number of congressmen appendages—the possum's tail is rougher—

Mr. Stores welcomed the delegates to Chi cago as warmly as Secretary Harlow had welcomed them to the State. He alluded to the propitious character of the times, which were now inviting an extension of our reviv-ing trade and industry. He said: "We have learned that we cannot cut ourselves off from the rest of the world, or regard them as enemies. It is much more profitable and in finitely more pleasant to trade with them than to fight with them, and how to secure ustomers and how to gain new markets are the leading topics for your deliberations Your purpose is to secure direct trade, such as the geographical advantages would command. It is ordained that we are to possess this continent, and we will not fully and under our own flag may traverse them."
